David,

You are correct, the Charter Entities (Joint Applicants) no longer expect a Commission ruling on the merits of the application by April 15, 2021. Please let us know if there any additional questions, and, as always, we appreciate your attention to this important case. With warmest regards,

Mitch

Good morning, Mitch:

Looking at your request, is it fair to say that your client is no longer looking for a Commission ruling by April 15 on this Docket as originally requested ?

Thanks,

David Butler

**Subject:** [External] Docket No. 2021-23-C - Request for Extension of Pre-Filing Date for Rebuttal and Surrebuttal Testimony

Good morning David,

Hope you and everyone at the Commission are well.

I have conferred with Ms. Pittman, counsel for ORS, about establishing testimony filing dates for rebuttal testimony of the Charter Entities, if needed or desired, and surrebuttal testimony for ORS, if needed or desired. We have agreed to request that the Hearing Officer set Monday, April 12 for the filing of rebuttal testimony by the Charter Entities, if desired, and Monday, April 19 at 11am for the filing of surrebuttal testimony by ORS, if needed or desired. We would be most grateful if the Hearing Officer would establish these testimony filing dates and provide us with notice of same. Please also know that the parties continue to work on the terms of a stipulation, however, these testimony filing dates should be established just in case our discussions do not resolve all issues. Should you need further information, please do not hesitate to contact us. With warmest regards,

Mitch
